SUPERNATURAL SPEED

Isaiah 40 vs 31: *'But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.'*

We all need speed in our lives to one degree or the other. This is why God's promise of supernatural speed is your best option. Thank God for natural speed but supernatural speed is far better. As you can see from our text scripture (Isaiah 40verse31), when you yoke yourself with the Lord, he supplies you with supernatural strength to mount up with wings like an eagle, run and not faint and walk and not be weary. Only Jehovah can give you this kind of strength and support. 1Kings18 vs 46.

By the way, what do we mean by supernatural speed?

-It is moving or operating by the assistance and help of God. This is evident by God's hand coming on your life.

-It is running or operating at the speed of the Almighty.

-It is God helping you to run faster, well, better and farther than you normally run and also increasing your levels of accomplishment and impact. Ps.18v29

We thank God for what you can do but when you partner with God, you can travel faster and better.

Our God is a God of supernatural speed. He can increase and renew your speed if you are properly connected to him. Rom9v28.

Pastor Yemi Adeoti

When you take a close look at scriptures, you will observe that the Holy Spirit is a quickening spirit. Rom8v11. What does this mean?

It means that the Holy Spirit is a motivator, mobilizer and initiator. He moves and propels people into action, especially concerning his purpose and plans for our lives. The Spirit of God helps people to be proactive and not passive. We have several examples of this in the scriptures (i.e. 1Sam11v6-7; Jug3v10:6v34-35). So in the same vein, the Holy Spirit wants to come upon your life so that you will be able to run the race of life and destiny. May this be your testimony and song in Jesus name, amen.

Supernatural speed is something that you should desire as a believer! In fact it is something that you need to walk in. God is obviously interested in the rate at which someone or something moves or operates. So likewise, you, too need to start paying attention to this area of your life. And by the way, supernatural speed will do you a lot of good. This is why I want us to consider some of the blessings or Advantages of Supernatural Speed.

The Blessings Of Supernatural Speed:

1. It helps you to outwit or beat the skills, wisdom and expertise of men. Supernatural speed gives you an advantage or edge over the skills or expertise of men. This is what happened to Elijah (1Kings18v46) that made him outrun King Ahab's chariots. So, my dear friends, God's speed will make you better than your contemporaries.

2. It will make you victorious over the challenges of life. Life is full of challenges and one of the areas you can draw strength from is God's help. This is one of the major secrets of King David Ps18v29. This can also become your testimony if you partner with God.

3. It will enable you not to be weary or tired easily. One major weakness of man is the ability to get weary or faint but God offers you something far better than this. This is why those who bind themselves together with God will not be weary or tired easily. Are you ready for this kind of partnership? This is one of the major blessings of supernatural speed. So, my dear friends, it is time for you to come on board. Isa40v28-31.

4. It will help you to accomplish or finish your task or assignment on time. You and I don't have the luxury of time when it comes to matters of our destiny. This is why you need to make hay while the sun shines. This is what the blessings of supernatural speed can do for you. So it's time for

you to tap into this dimension of speed. Rom9v28.

5. It will help you run better, faster, and further than others. I am very sure that you want this kind of advantage and strength. So why not make His speed a priority in your life. Those who rely on his strength and speed won't be put to shame! May this be your testimony and song in Jesus name amen.

Running and operating by the speed of God is far better than running naturally. So, what God has in store for us is better than what we can offer.

Therefore, it will be wiser and safer to choose God's option than man's. God, in His infinite wisdom, knows why we need supernatural speed and the areas we need His speed because He does not do His things without a purpose. Pro16v4. So, are there areas of our lives that we need supernatural speed? The answer is a definite Yes. My focus in today's lesson is to share with you some of the areas of our lives where we need His speed! If you are ready for this, off we go!

Where We Need Supernatural Speed:

1. **Our spiritual lives.** How is His oil in your life? If your oil is going down, get ready for reviving today. You need to be able to run better and faster spiritually, so get ready for his visitation in this area of your life. Isa41v1.

2. In the fulfilment of God's promises and prophecies.

Your waiting days are over, for the hour of manifestation has come. For those in a waiting mood, get ready for supernatural speed with regard to the fulfilment of God's promises. Gen18v10:21v1-2.

3. In the accomplishment of your projects and endeavours.

What project are you involved in now? May Jehovah grant you the speed of execution today! There shall be no more abandoned projects in your life because of the promise of supernatural speed. With ease, you will accomplish your projects. This is part of the areas you should expect the blessings of supernatural speed. Neh6v15; Zech4v9.

4. **In the recovery of your health and vitality.** God also wants to grant you speed with regard to your health and vitality. So get ready, for there shall be a perfecting of your health and vitality in this season. Isa 58v8.

5. **In the fulfilment of your heart's desires.** This is another area where you can expect the blessings of supernatural speed. As God did in the time of

old, so will He do with regard to your aspirations and prayers. If you are keying into this, can you say a resounding amen? Ps102v2:143v7.

6. With regard to the fulfilment of your mandate and purpose in life. How far have you gone with regard to the journey of destiny? His blessings of supernatural speed will help you reach your destination on time. If you are keying into this, can you say a BIG AMEN? 2Tim4v7.

7. With regards to obtaining what is yours. God wants to grant you speed of obtaining your inheritance. Therefore, there will be no more delays with regard to obtaining what is yours. I see things happening quickly for you. Esth2v9.

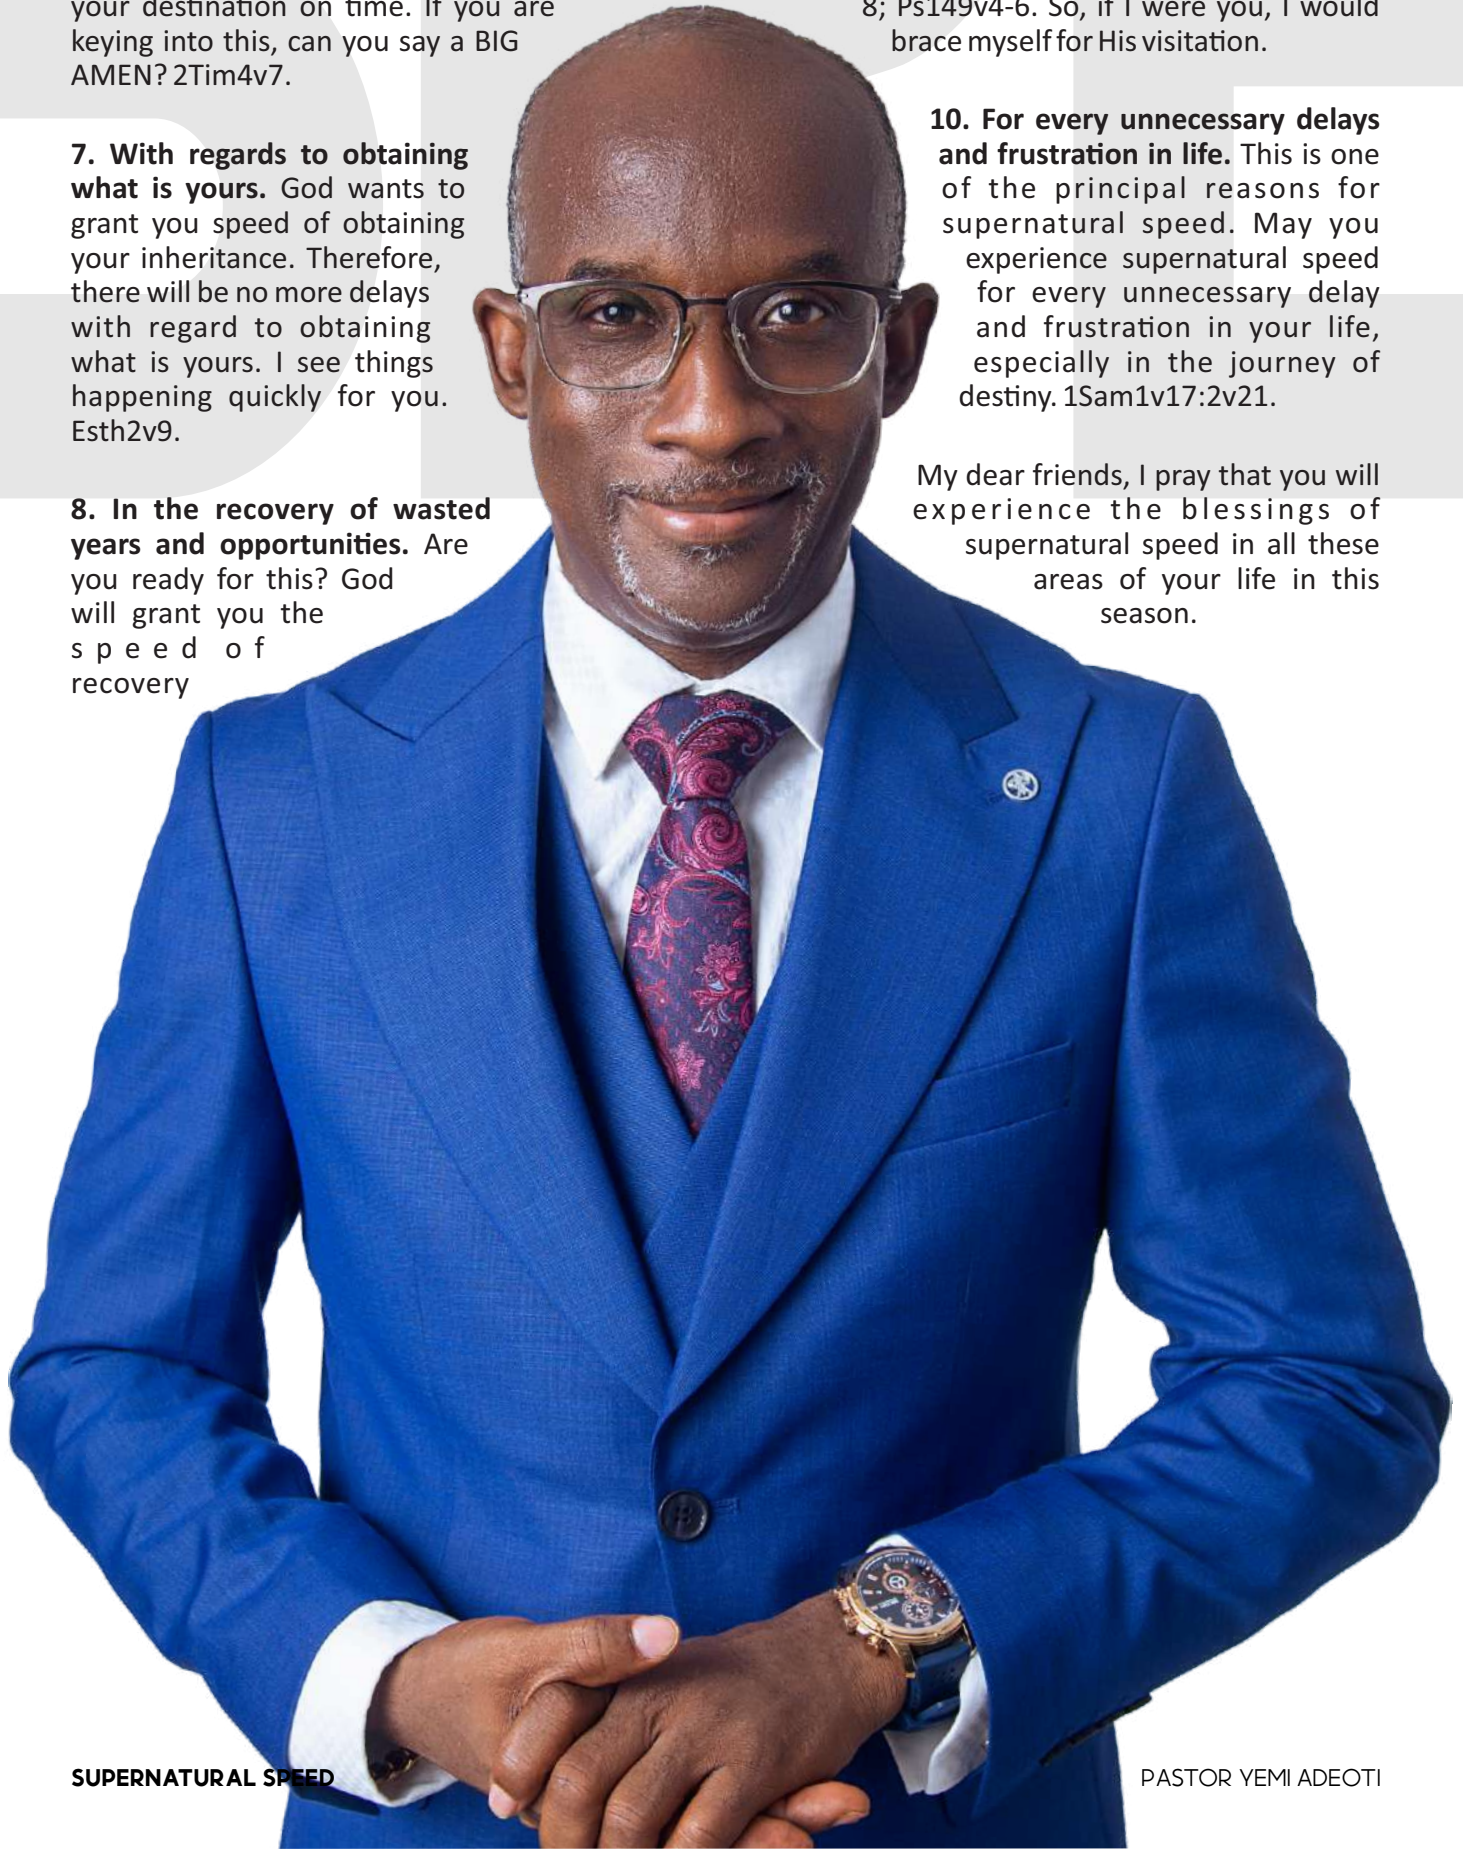

8. In the recovery of wasted years and opportunities. Are you ready for this? God will grant you the speed of recovery

of wasted years and gaining new territories. If you are saying yes to this visitation, can you say a BIG AMEN? Joe2v25-26.

9. In the execution of God's judgement. You will see God's vengeance on your enemies when supernatural speed is at work, and it's something that will happen without any delay. Luk18v7-8; Ps149v4-6. So, if I were you, I would brace myself for His visitation.

10. For every unnecessary delays and frustration in life. This is one of the principal reasons for supernatural speed. May you experience supernatural speed for every unnecessary delay and frustration in your life, especially in the journey of destiny. 1Sam1v17:2v21.

My dear friends, I pray that you will experience the blessings of supernatural speed in all these areas of your life in this season.

Graced with Speed

Esther 2:9 (King James Version, KJV)

And the maiden pleased him, and she obtained kindness of him; and he speedily gave her her things for purification, with such things as belonged to her, and seven maidens, which were meet to be given her, out of the king's house: and he preferred her and her maids unto the best place of the house of the women.

Amos 9:13-15 (MSG)

Things are going to happen so fast your head will swim, one thing fast on the heels of the other. You won't be able to keep up. Everything will be happening at once—and everywhere you look, blessings! Blessings like wine pouring off the mountains and hills.

One of the ways God helps a man's destiny is by working in supernatural speed in every area of life.

When God gives you speed, he makes things happen so fast that you cannot keep up with the rate of events. Events will swim so fast on the heels of the other, everywhere you turn, blessings will keep pouring like a torrent of rain.

The interesting part of been endowed with the grace for speed is that no one is exempted from accessing it, we all are very much qualified to access the grace for speed. God is the God of all grace and he has made it available to all (2 Cor 9:8). God has in abundance the grace for speed in financial increase, healing, relevance, rising, promotion, whatever your heart longs to achieve. In I Kings 18:46 God's word says 'and the hand of the Lord came upon Elijah and he ran, he ran and overtook men on horses. I speak into your life that in this season God himself endows you with grace for speed that will make you run so fast

Pastor
Ronke Adeoti

that you will overtake those who seem to be better positioned and opportune than you in every ramification. The question now is 'What is the process of accessing Grace for Speed?

How God sends you Grace for Speed

1. Through his word.

God and his word are the same, hence, he sends you grace for speed through his word. God is always in the business of sending his thoughts via his word to his people, no wonder the bible says, he sent his word and healed them and delivered them from their destructions Ps 107:20 God's word is quick and powerful, sharper than any two edged sword, piercing even to the dividing asunder of the soul and spirit and of joints and marrow, and is a discerner of the thoughts and intents of the heart. Heb 4:12. You need to know his word concerning your life to access the grace for speed. How much of your time do you give to God's word? Once God speaks, consider it done because he is not a man that he should lie. As the songwriter said, "God has a track record of keeping his word and he's not about to stop doing it now". Consider whatever he has promised you, done and settled. Has God sent his word to you for speed? Yes, he has, believe it and run with it.

2. He empowers you for it

God is faithful and can be relied on, when he empowers you with speed, you notice your strength is renewed, you'll mount up with wings as eagles; you'll run and not be weary, you'll walk and not faint, according to Isa 40:31.

In another light, when God empowers you with the grace for speed, he ensures you are given first from the pack that which will not go round. God in this case shows you unusual kindness. God becomes unusually lenient to you and gives you prominence. Gen 6:8 says And Noah found grace before the Lord. Remember the God we serve is G-grace, O-on, D-duty. His grace is ever present and available for you as his child, walk in the reality of it.

3. He grants you assistance

Aside from empowering you, God grants you help to be a made man or woman. When God is absent in a man's life, life tends to be full of struggles. God can make a man who he should be and when men choose their own ways, he allows them but the end is destruction (Prov 14:12). In the making of a man, several groupings can be identified:

a. The Self-made. These rise by themselves and feel they do not need God; just like the rich fool in Lk 12:16-21. He was so rich that he thought to himself that he amassed the wealth by his power. He forgot God. He was rich but a fool and paid dearly with his life for it.

b. Man-made: Men can be of help to rising in ones

life. In this case, God can send you help through men. God in his supreme nature chooses men to help you. He picks those who have the capacity, willingness and ability to strengthen and assist you to attain speed.

c. He provides you with the appropriate timing.

When God set up Esther to be Queen he ensured the time was right. She received favour and climbed to the throne with the help of God (Esth 2:9). Hagai was so impressed with Esther that he treated her kindly. He quickly ordered a special menu for her and provided her with all the beauty treatments. He accelerated the process of the beauty and the diet she received. He assigned 7 hand-picked female servants to her. She was preferred before the competition and chosen before time. The favor of God will speak for you and single you out unexplainably. I pray for you that you will be hurriedly given your position and your place and requests will be hastily given to you and not to another in Jesus' name. Gen 41:14 'So Pharaoh sent and called for Joseph and he was brought hastily. Ps 102:13.

When does God bring you speed?

1. When you are lagging behind.

God comes to give speed to make you catch up. In Gen 30:30 b, Jacob asked: When shall I provide for my household? He had wasted time. God came to him to make up time. This is what God will do for you in this season in Jesus' name. I Kings 18:46 records that Elijah was behind Ahab and the rain was coming down heavily and behold God's hand came on Elijah and he outran the chariots of Ahab. This is your portion this season. You will outrun everything that has caused you delay in life and destiny. God grants speed to meet the opportunities you missed, to make you stronger, and to bounce back. He will make every setback culminate into victories in Jesus' name

2. When you have experienced lost seasons or years.

God is the one who opens doors and opportunities see Joel 2:25. When we lose out in years and time like Joseph, God comes in to give speed to meet up. God can make up time for us. Like God did for Joseph, he also will do for you. Joseph by passed the people he met in Potiphars house, in prison and also in Pharaohs palace. God will bypass protocols for your lifting and when he does this, no one can stop you.

3. When there is a delay in achievement.

When you have gone through time and time again round the same spot, God steps in to give you speed to move forward. Deut 2:3 captures it right, it says you have rallied this mountain long enough it is time to move. God removes the delay and

gives you advancement. You find this again in Deut 1:6.

In this season, you will be visited by God for speed. Look up 1 Sam 2:21

How to experience Speed

1. The right connections.

Just as there are good connections there are also bad connections. Connections are like bridges. Some people are obstacles and repellants to your speed. A good example is Haman, Sanballat, and Tobias in the Bible. Such people carry an atmosphere that denies you help. Some others are the bridge to your next level. When God wants to give you speed, he places the right people in your atmosphere and puts your thoughts in their hearts. This is exemplified in the story of Esther. Again, we see this in 1 Sam 2:2, 2 Samuel 9:1, David asked, *"Is there anyone still left of the house of Saul to whom I can show kindness for Jonathan's sake?"* and alas Mephibosheth was there and was shown favor. I pray that men will look for you in this season to give you help and such men will find you.

2. Travel light.

Like it is commonly said 'mind your business'. Drop all forms of anger, envy jealousy unforgiveness, procrastination, greed, fornication adultery and all that will hinder your progress. Travel light. Look up Is 59:1-3 and Heb 12:1-2. When you are weighed down with these things, you cannot move with speed.

Sometimes the weight can mean the attitude you wear. Don't be someone who cannot be given corrections, don't live all your life giving excuses or procrastinating, and stop the excessive use of social media that plagues our time. These things can be weights which can hinder you from experiencing speed. Of Lot, God through the angels had to hurry him out of the land destined for destruction. There was still some weight on him regarding the land. See Gen 19:15. Drop the weight and travel with the speed of God because you are graced for speed. Remember, the lighter you travel, the greater your speed.

3. Wait on him for directions and instructions

You are one instruction away from your breakthrough. God will instruct you. He will give you specific instructions that will bring you speed. Wait for him. Do not move ahead of God. Look up 1 Sam 30:8. You will recover lost

seasons and opportunities as you wait for God's instructions in Jesus' name. All you have lost you will recover and instead of sorrow, you will have

joy. You will know the shout of jubilation in your home, you will dance for joy, name. I celebrate you. Shalom!!!

4. Ask God for speed:

Matt 7:7 Ask you shall be given or receive. Gen 24:12-15 'Eliezer prayed to God, and he said O LORD God of my master Abraham, I pray thee, send me good speed this day, and God responded to his request'. Ask God to send you good speed in the exact area you need it. It could be a marital request or even a visa application, whatever it is you need speed for, just ask. God is a prayer answering God. As you pray, God will show up and remove every agenda to delay and silence the adversary. As you pray, God sends you the ministry of angels Gen 24:7. His angels go ahead of you, grant you unusual ease and speed.

I pray for you that you will know the help of God in this season and the ministry of angels and as you go on for the remaining days of this year and through your time on earth, you will find, know and experience grace for speed in all your endeavors and all you lay your hands on in Jesus' name. I celebrate you. **Shalom!!!**

The Need for Supernatural Speed

Isaiah 40:31

Halleluyah glory to God! You will agree with me that It has been 7 years of God's glory and help for us at Dare To Dream Christian Center.

As I prepare to put my thoughts down for this magazine what came to my mind was the title of the car racing movie and game series "Need For Speed". You might want to ask how does this apply to us as we celebrate our 7th year? The year 2024 was declared as our year of supernatural speed and we all know we serve a purposeful God who does all His things for a reason. God has promised us supernatural speed this year because He knows that we will need it considering the enormous challenges in the world today and particularly in our country Nigeria.

Why do I need supernatural speed?

- To be able to do all I am sent to do against all odds
- To do all I need to do in record time
- To be able to do more with my life

According to Pastor Yemi Adeoti in one of his teachings, he described supernatural speed as follows

- Moving or operating by the assistance and help of God.
- Running or operating at the speed of the Almighty.
- God helping you to run faster, well, better, and farther than you would normally run and also increasing your levels of accomplishment and impact. Ps.18:29.

Dear friend, those dreams and goals that you came into 2024 with are still achievable even though we have a few months to go in the year. Why not tap into the grace upon this house as we celebrate our 7th year anniversary. It is my prayer that you will encounter supernatural speed in Jesus name.

As Moses said in Numbers 10:29
"Come with us and we will treat you well, for the Lord has promised us good things"

MANAGING YOUR FINANCES

Taking Charge and Scaling Through at a Time Like This! 1st Chronicles 12:32.

Personal Finances has to do with the management of money, assets and other financial instruments; its creation or inflow, investment, outflow. Personal financial planning generally involves analysing an individual's or a family's current financial position, predicting short-term, and long-term needs, and executing a plan to fulfil those needs within individual financial constraints. Personal finance depends largely on one's earnings, living requirements, and individual goals and desires.

Through times and seasons, financial principles remain the same but would vary in intensity and degree! One of our ministers very often says that when the purpose of a thing is not known, Abuse is inevitable;

GOAL SETTING:

Personal financial management starts with you first asking yourself what you want in this season i.e. knowing your Goals and priorities and the Place of Money within this. i.e. How does money fit in?? What do I need money for? How much do I need? Etc. these questions would help you to define your purpose and thus aid you to identify the steps towards which you need to achieve them. You need to be true with yourself.

PLANNING:

When your goals are established, the next question is how do I become financially free to achieve my goals? You've written your goals out now make them SMARTER (short and specific, measurable, actionable steps, Realistic and Time bound; then Evaluate and Review them from Time to Time).

You start planning for all the seasons of your life today; retirement inclusive because every action and choice you make compounds. However please note that it's never too late to start.

BUDGETING:

A budget is simply a financial plan. This helps you

Identify where your money comes from or will come from and where it will go to (i.e. what you will spend on); it helps you identify your priorities (it helps you realize how much you need to raise or earn, helps you to know how much you will spend at every given time to block leakages and reduce costs to create extra funds that can be saved). It helps you realize whether you need to increase your income or reduce spending. It would help you identify if you are living below or above your means. Be true to yourself!

SAVING:

Here, you to accumulate little funds into a pool of funds that can be invested and multiplied. Nothing is too small. The monies saved or costs reduced in budgeting is what is used to create a savings. Delayed Gratification! Saving is never the end game... it moves further.

INVESTING:

This is where the pool of funds that have being built through discipline or windfalls are put into use to enable it multiply and grow; this could be through trading (investing in a business or service that brings in money), stocks (buying shares in existing businesses), real estate, (for residential purpose, rent or commercial resale), licensing (getting a license to distribute or operate an activity for income), Investing in Self i.e. (paying to learn a skill or to get a certification or degree to enable you earn more), to mention a few. There are different investment vehicles. Monies un-invested would always slip away; remember it is liquid! You protect your excess income from inflation by investing.

INSURANCE:

This is the process of protecting and preserving the wealth you have accumulated against mishaps. This could be health insurance, Education Plans, property insurance, vehicle insurance etc. in some climes, insurance could have some savings elements included.

CHARITY & Succession Planning (Give back) :

This includes Pensions, making a will, estate planning, giving through foundations or trusts, Mentorship and Charities.

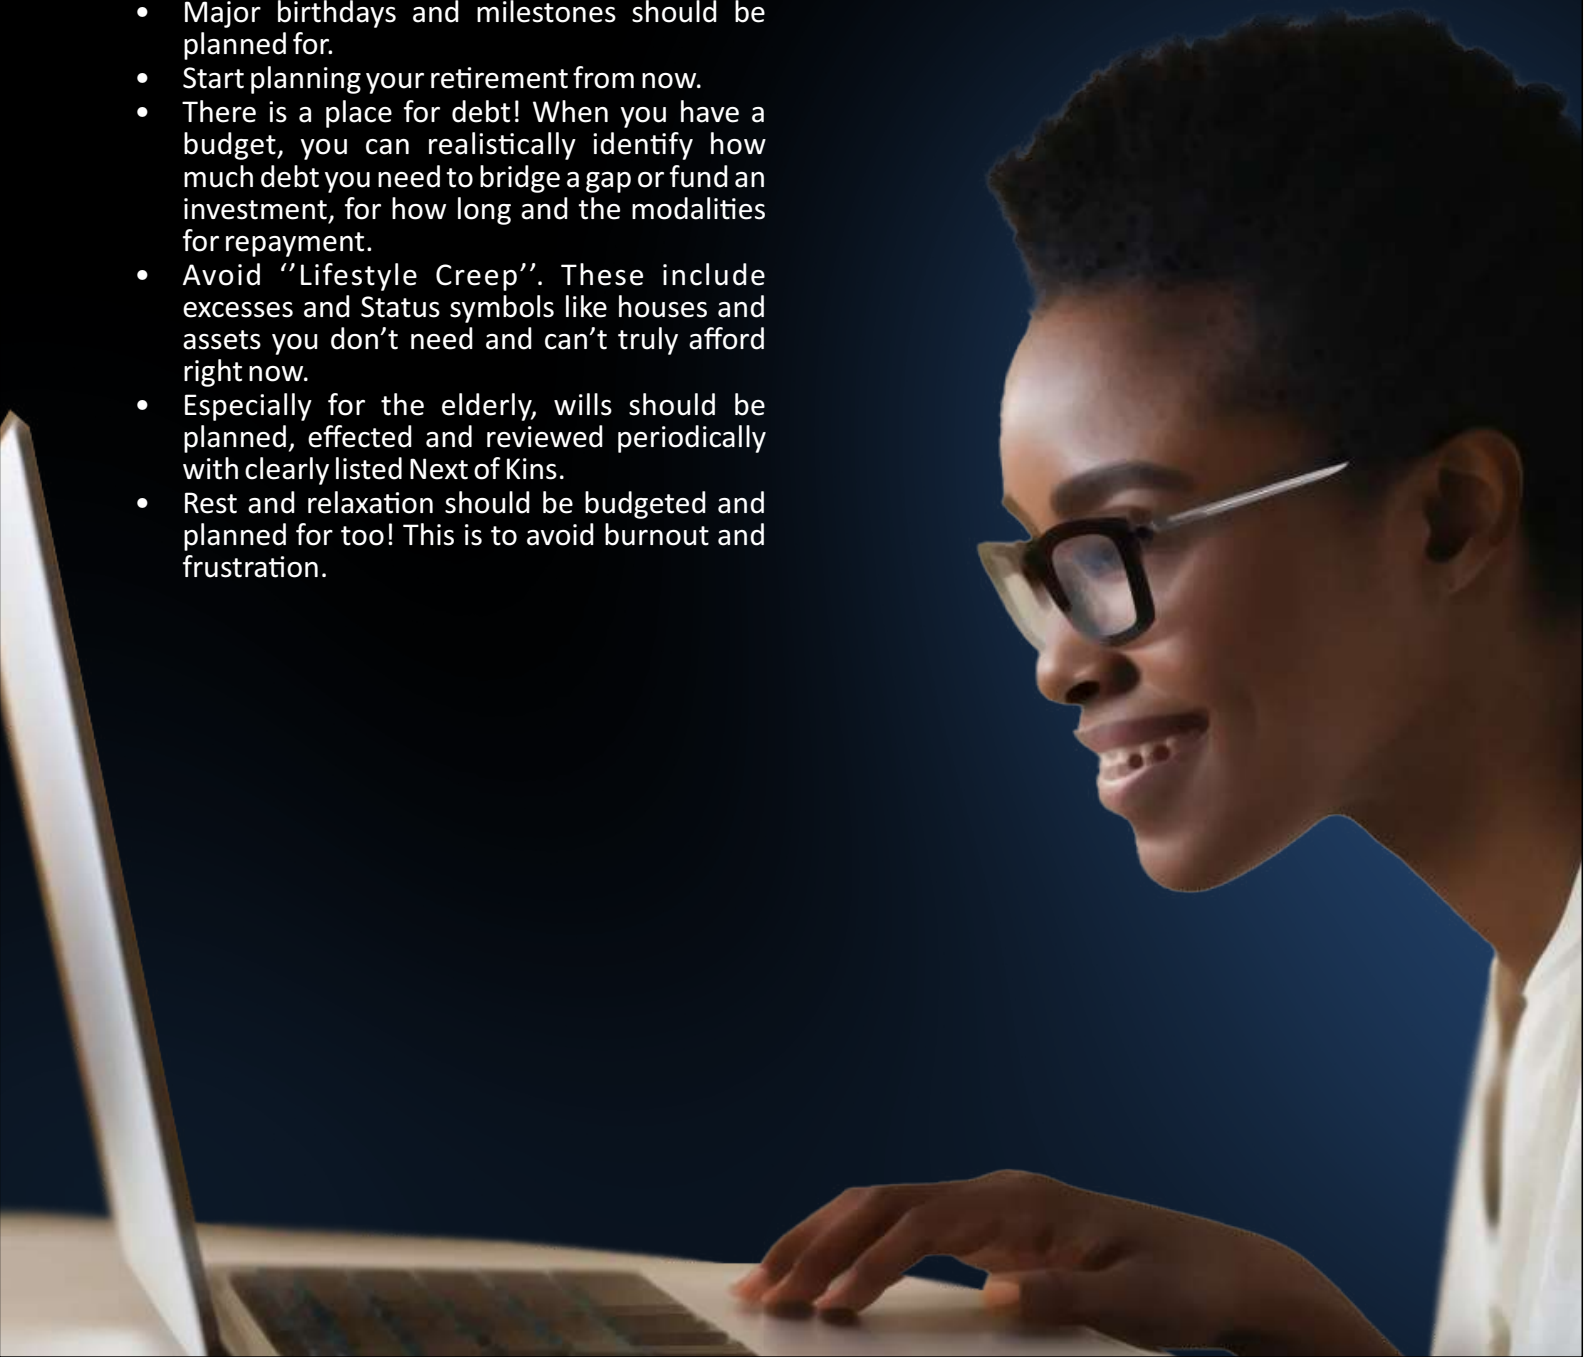

In each season, as explained earlier, what varies is the degree to which one will apply these financial principles. Ask yourself: At this time do you need to Goal set, Plan, Budget, Invest, Insure or Giveback?

- The following points are also worthy of note: -
- Invest in knowledge.
- As Christians, understand that the Holy Spirit is your advantage! He will always guide you if you ask!
- Understand your family traits and genetics to enable you know how to take care of yourself. Health insurance plans are always a good idea. Whether you have young children or the elderly living with you would determine the type of plan you have. it can be a basic health plan option or a platinum coverage. It would save you major out of pocket expenses.
- Major birthdays and milestones should be planned for.
- Start planning your retirement from now.
- There is a place for debt! When you have a budget, you can realistically identify how much debt you need to bridge a gap or fund an investment, for how long and the modalities for repayment.
- Avoid "Lifestyle Creep". These include excesses and Status symbols like houses and assets you don't need and can't truly afford right now.
- Especially for the elderly, wills should be planned, effected and reviewed periodically with clearly listed Next of Kins.
- Rest and relaxation should be budgeted and planned for too! This is to avoid burnout and frustration.

- Carry your loved ones along. Educate your loved ones financially; start to teach them about your business and financial principles. It would not only empower them but also help manage expectations.
- Your Network is your net worth. Treat them as such!

As Christians, we have to be discerning like the Sons of Issachar to not just understand the times we are in but to also know what to do in these times. 1st Chronicles 12:32.

SUPERNATURAL SPEED

We've all wanted speed, at one time or the other. We are used to speed and we generally despise anything that wouldn't allow us to move at our desired speed. Whether by changing route, pressing hard on the car accelerator or choosing to travel by a faster means of transportation, we all want to get to the office, the mall, the grocery store, and even home in good time but there are aspects of our lives where we really want speed and we seem clueless as to what to do to get it.

Man, in his own wisdom tried so many ungodly means to gain speed in achieving his purpose and ended up right where he started, because only God can give supernatural speed with no negative consequence now or in the future. In 1 Kings 18, we read the story of how God granted Elijah speed that he outran the king's chariot. How else can we explain that in just 24 hours, a prisoner became the prime minister in the foreign nation of Egypt?

Joseph's rise from the prison to becoming the Prime Minister in a single day is often cited as an example of supernatural speed. Despite the years of hardship, when God's timing was right, Joseph was elevated quickly and dramatically. Genesis 41:40-41.

If you are in a situation whereby you believe you are far behind, what you need is not the devil's shortcut. You need supernatural speed. Not only will God take you up in an amazing flight but He will also grant you speed and He will restore the years that you thought were wasted and far gone.

And I will restore to you the years that the locust hath eaten, the canker-worm, and the caterpillar, and the palmerworm, my great army which I sent among you. Joel 2:25.

Supernatural Speed is closely linked to God's perfect timing. When God decides to act, He can accelerate events to fulfill His purposes swiftly.

God's intervention can bring sudden and significant changes. Aligning oneself with God's will and being obedient to His commands can position a person to receive supernatural speed.

We all have dreams we are believing to accomplish, problems we are hoping will turn around. Many times in the natural, it looks as though it's going to take years to happen but God does not always follow a natural timeline. He knows how to open the windows of heaven. One good break can put you into an overflow. You are going to look up and think; how did I get here so quickly? What was that? The God who makes supernatural speed happen is speeding things up, making things happen that you couldn't make happen.

Amos 9:13-15 says; ***Things are going to happen so fast your head will swim, one thing fast on the heels of the other. You won't be able to keep up. Everything will be happening at once-and everywhere you look, blessings!***

I hope and pray that as we commit to aligning with God's will, being obedient to His instructions and having faith in His promises, we will truly experience His supernatural speed.

Happy 7th Anniversary!

Training your

Child

We give God Praise for another anniversary, indeed the Lord has brought us this far and we rejoice because He has done great and marvelous things through the years.

We are in trying times and a lot is happening and happening fast and we need to arise as Christian parents to meet the needs of our children and equip them so that they will be able to put away the wiles of the Devil.

Coming down to our talk, training the Christian Child, we spend time and resources to train our Children academically to be Doctors, Lawyers, Engineers, Nurses, IT Gurus, Accountants, e.t.c. We also spend our money taking them for vocational trainings to also equip them for the future so they cannot be stranded in life of what to do, but often times neglect to train them Spiritually for life's battles and to know the ways of God. Whether we know it or not every child is born to fight a battle and that is why the scripture says in Ephesians Chapter 6: 12 that we wrestle...

We are specifically instructed in Proverbs 22:6 as parents to train up our children in the way they should go, so that when they are old, they will not depart from it. Undergoing training takes time, sacrifices and resources. We should not conclude/ feel that our Children will know how to pray, read the scriptures, meditate on the scriptures, listen to messages by seasoned preachers, trust God, walk in Faith e.t.c as they grow old without us making effort to train them to

do these things. The bible says in the book of Deuteronomy 6:6-9 and Deuteronomy 11:18-19, that God instructed the Children of Israel to diligently teach their children His commands.

This is reminding us as parents to consciously put effort into training our children in the ways of the Lord. Train them in the following ways and not only limited to these ways;

1. Train them to fast and Pray
2. Train them to study the bible (the sword of the spirit)
3. Train them to apply faith in their daily lives (shield of Faith)
4. Train them on how to evangelize (shodding their feet with the Gospel of Peace)
5. Train them to trust God completely (shield of Faith)
6. Train them to memorize the scriptures (sword of the spirit)
7. Train them to learn to wait on the Lord for answers to their prayers
8. Train them to work in God's house
9. Train them to be Content
10. Train them to say No to Ungodly enticements and live righteously (Breast plate of Righteousness)
11. Train them on how to rise again when they fall (Helmet of Salvation) e.t.c

I have almost listed the whole Armour of God. I remember when David was to go and fight Goliath, Saul gave him his physical armour to wear

but David said it was too heavy because he has not been trained to use it. So also it applies to our Children, if we do not train them in the ways of the Lord, when the day of battle comes, they will not be able to fit into the armour of God. Imagine a battle without shield, helmet, sword, breast plate, e.t.c we will be carrying casualties home.

My dear Parents, the importance of training our Children cannot be over emphasized, you don't need to do it alone. You can enroll them for Bible clubs just as you enroll them for coding classes, summer lessons e.t.c. where they will be groomed on God's word, allow them go for Christian camp meetings, let your family altar be a place where they lead prayers, preach and recite scriptures.

In Conclusion, if we do not train our Children in the ways of the Lord, someone else will train them in the ways of the Devil, there is no in between. Ask yourself today, what kind of training is my child undergoing?

May God equip us on how to train them in the ways of the Lord in Jesus Name. Amen.
